We are 100% volunteer and donation based and ***we cannot do what we do without donations*** from the public. Please consider donating towards the care of this animal that you've rescued as well as to future animals that we rescue.

**Rabbit Adopters:** In addition to the cost of food, supplies & microchip we pay \$144 to neuter male rabbits & \$168 to spay female rabbits.

**Donation Amount:** \_\_\_\_\_ Cash  Check  Venmo  CashApp  Paypal

I agree that if for any reason I am no longer able to care for this animal I will surrender it back to Wildlife Rescue of Charlotte. I agree that I am not allowed to sell, re-home or release this animal outside. All animals adopted from WRoC must live indoors full time with the exception of farm animals. If adopting a rabbit I agree to take the rabbit to its scheduled spay/neuter appointment if the rabbit isn't already sterilized.
